We are striving to host an inclusive, accessible event that enables all individuals, including individuals with disabilities, to engage fully. Do you require any accommodations in order to participate fully in our event as the result of a disability (wheelchair access at the venue, captioning, large-print documents, etc.)? Yes No

If so, please describe or leave your contact information below:

Our team will follow up on all of the accommodation requests that we receive and in the event that we are unable to meet a specific request we will work with you to determine whether an alternative arrangement can be made. Should you have any questions regarding registration, please contact our Registration Coordinator: Tash Cote at TCote@afn.ca. For general inquiries on the National Wellness Gathering for Indian Residential School Survivors, contact us at health@afn.ca.
