August 3, 2023 | 10:00am – 1:00pm PDT

*Streaming from the traditional unceded Algonquin Anishinaabe territory*

Join us for an engaging series of virtual focus groups hosted by the Assembly of First Nations (AFN) to discuss regional priorities on the development of a Wholistic Long-term and Continuing Care Framework. We invite Chiefs, Elders, healthcare practitioners, caregivers, administrators, and First Nations with lived experience with the **Assisted Living** and the **First Nations and Inuit Home and Community Care Programs**.

## Focus Group Goals:

- Gain insight on the on-going creation of a Wholistic Long-term and Continuing Care Framework through the reform of the **Assisted Living** and the **First Nations and Inuit Home and Community Care Programs**.
- Discuss priorities for reform, identify gaps, and guide the co-development of policy recommendations by First Nations, for First Nations.

Be part of shaping the future of Long-term and Continuing Care. Your voice matters.
