Assembly of First Nations

Fifth Annual National Forum on Income Assistance

From Surviving to Thriving

September 10, 11 and 12, 2024

Treaty 7 Territory – Calgary, Alberta

*Please note that
registration for
this event is on an
invitation basis.*

The Assembly of First Nations (AFN) is hosting a National Forum on Income Assistance for First Nations case managers and administrators to come together, network, discuss priorities and core program elements, and share best practices for the reformed Income Assistance (IA) Program.

Forum Goals:

- Provide First Nations with information about the on-going reform of the IA Program.
- Discuss priorities related to reforming IA program rates, performance indicators, data collection, wrap around supports, and case management and pre-employment supports for the reformed IA Program.
- Provide a safe environment for IA case managers and administrators to network, share information and best practices.
