These sessions will provide an opportunity for First Nations leadership and technicians to share information, views, and activities on Bill C-53, to access legal and technical presentations, as well as support interventions that will ensure the protection of First Nations inherent, Treaty, and section 35 rights. Participants are encouraged to bring forward potential amendments to the Bill and discuss approaches to ensure their rights are upheld and protected, in alignment with AFN Resolution 81/2023, *Urgent Protection of First Nations Inherent and Treaty Rights from Ongoing Illegitimate Rights Assertions*.
