Assembly of First Nations (AFN) National Housing and Infrastructure Conference

The Westin Calgary Downtown, in Calgary, Alberta | February 19-21, 2025

Corporate Sponsorship Opportunities

The Assembly of First Nations (AFN) is inviting you to become a sponsor of the AFN National Housing and Infrastructure Conference on February 19-21, 2025, in Calgary, Alberta. This in-person conference will focus on addressing important housing- and infrastructure-related issues facing First Nations. The theme for the conference is *"Mind the Gap: Advancing First Nations Housing, Infrastructure & Drinking Water."*

The need for adequate housing and improved infrastructure is pressing, given the uncertainties First Nations face regarding essential services. Key issues include legislative changes, questions about sustainable funding, long-term management, and the impact of new national housing policies. Many First Nations still lack access to safe drinking water and adequate housing and infrastructure—a basic human right that remains unmet for many, highlighting the urgent need for action to close the infrastructure gap.

The AFN National Housing and Infrastructure Conference provides an excellent opportunity to showcase your business or organization and engage with First Nations leadership from across Canada, housing and infrastructure technicians, Public Works Department staff, consultants, government officials, non-government organizations, and academics focused on drinking water and wastewater management. The event will feature panel presentations and interactive workshops where participants can learn from and share with one another.

If you are interested in becoming a corporate sponsor for the conference, please email your expression of interest to infrastructure@afn.ca.
