

# 7<sup>TH</sup> ANNUAL WATER SYMPOSIUM & TRADE SHOW

*Bridging the Gap: First Nations Water and Wastewater Equity*

15-18 April, 2024 | Hilton Lac-Leamy | Gatineau (Québec)

## TRADE SHOW EXHIBITOR INVITATION

It is with great pleasure that we invite you to the Assembly of First Nations (AFN) 7<sup>th</sup> Annual Water Symposium and Trade Show: “*Bridging the Gap: Water and Wastewater Equity*”, taking place in Gatineau, Quebec, from April 15-18, 2024. Building upon the dialogue from the 6<sup>th</sup> National Water Symposium: “Securing Safe Water for all First Nations”, the AFN is hosting an in-person national Water Symposium and Trade Show focused on addressing important water-related issues facing First Nations.

Access to safe, clean drinking water and sanitation is more important than ever, given the uncertainty facing First Nations with respect to water. Legislation, questions around sustainable funding, long-term transfer of care and control, and the implications of a new national water agency continue to be important issues to First Nations. In comparison to most Canadians, access to safe, clean drinking water and sanitation is a human right that too many First Nations still don't have.

Our trade show is an excellent opportunity to showcase your water and infrastructure-related products and interact with First Nations leadership from across Canada, water technicians, Public Works department staff, other First Nation infrastructure technicians, consultants, Government officials and non-government organizations and academia with interest in First Nations safe drinking water and wastewater issues.

Come and join us in Gatineau as part of this important Symposium!

**Registration for the Trade Show is now open.**
