# Identifying Culturally Appropriate Wrap-around Supports for IA Clients

*Tuesday, September 10, 2024*

*2:45pm – 4:20pm MST*

**National Forum  
on Income Assistance**  
*From Surviving to Thriving*

**Forum national  
sur l'aide au revenu**  
*De la survie à la prospérité*

## **Breakout Questions: Identifying Culturally Appropriate Wrap-around Supports for IA Clients**

1. In your experience, what community-specific factors, strengths, strategies and challenges are important for the design and delivery of case management and pre-employment supports?

**National Forum  
on Income Assistance**  
*From Surviving to Thriving*

**Forum national  
sur l'aide au revenu**  
*De la survie à la prospérité*

## **Breakout Questions: Identifying Culturally Appropriate Wrap-around Supports for IA Clients**

2. If you could create your own terms for how you administer case management to your clients, what would they be?

Ex. Caseloads, goal setting, professional development, etc.

*De la survie à la prospérité*

## **Breakout Questions: Identifying Culturally Appropriate Wrap-around Supports for IA Clients**

3. If you could develop your own pre-employment support program in your community, what services or programs would you offer and how would you administer them?

Ex. Youth specific strategies, financial literacy, resume development, excel workshops etc.
